The Rector Wardens & Vestrymen

of Christ Church

Philadelphia, Nov. 12th. 1845.

Moses Kempton Esq.

Dear Sir,

Allow me to ask, through you, of the Committee on the Rigby Legacy, that Mrs. Mary Werner, No. 177 North Front St. be placed on their list of pensioners, to receive ten dollars each quarter. She is a widow, in feeble health, with a sick son dependent on her, and no means of support.

I have known her as a worthy communicant of Christ Church, ever since I became the Rector, and have frequently visited her, at her house. Her mother, Mrs. Shelmo, has long been on your list of pensioners.

Permit me further to ask for an appropriation of fifty dollars, to purchase wood this winter for the poor communicants of Christ Church.

Respectfully truly yours,

W. Dorr.
